

ANNOUNCEMENT

Potable water served by the *South Mills Water Association (NC PWS ID # 04-15-010)* in the Newland Township, Pasquotank County N.C has been restored to near capacity. Samples collected from multiple locations within the system have been analyzed by a State Certified Laboratory and found to be free of coliform bacteria.

Based on these results and the continued presence of consistent pressure throughout the system, the SYSTEM PRESSURE ADVISORY is RESCINDED, effective immediately.

Persons served by this system are urged to continue to manage their water usage and consumption, and report any leaks or problems to the *South Mills Water Association*..

Thank you for your patience and cooperation.
